- and
- (e) the details of the steps taken to prevent misuse of funds in this regard?

Answer

MINISTER OF STATE IN THE MINISTRY OF DRINKING WATER & SANITATION
(SHRI RAMESH CHANDAPPA JIGAJINAGI)

- (a) State/UT-wise, number of household which have been provided Central Assistance and constructed Individual household latrines during last three years and the current year is at Annexure-1.
- (b) State/UT-wise, central share expenditure reported on the construction of Community Sanitary Complexes during each of the last three years and in current year is at Annexure-2.
- (c) State/UT-wise, Community Sanitary Complexes constructed during each of the last three years and in current year is at Annexure-3.
- (d) & (e) The Ministry of Drinking Water and Sanitation has developed a comprehensive system of monitoring of the Programme through visit of Ministry officials and National Level Monitors
An on-line monitoring has been strengthened and transparency increased in the implementation of the Programme of SBM(G) by making all the data including the names and addresses of the beneficiaries of Individual Household Latrines (IHLs) available in the public domain / on-line monitoring system. A Mobile application for uploading photographs of toilets constructed after 2.10.2014 is being developed. A mobile application called Swachhapp also allows any citizen to view the progress made under SBM(G) in any part of the country right up to the household level.
